CONDICIONES GENERALES

CONDICIONES DE PAGO:

FORMA DE PAGO: TRANSFERENCIA BANCARIA.

DATOS BANCARIOS: LA CAIXA IBAN: ES37 2100 8654 7102 0011 1620

Para reservar artículos no disponibles en stock se deberá señalizar el 50% y el resto antes de la entrega.

PLAZOS DE ENTREGA:

Material en stock: Confirmado el pago en cuenta, de 5 a 10 días laborables. *Se requerirán 48h adicionales en caso de realizar trabajos de soldadura o pintura.

Material fuera de stock: Dependiendo de la disponibilidad de fábrica y transporte, entre mes y medio y dos meses.*

**Las agencias de transporte pueden necesitar 48h adicionales para poblaciones lejanas a cabeza de provincias*.*

TRANSPORTE:

Los costes de transporte no están incluidos en el precio.

Los gastos de transporte derivados por devoluciones de mercancía o errores en la dirección de entrega, serán a cargo del cliente.

Daños por transporte: El cliente deberá comunicar por escrito en el momento de entrega de la mercancía cualquier daño en el embalaje o producto en el albarán de la empresa de transporte, de no hacerlo así, SIRANORTE no se responsabiliza de los daños.

GARANTÍA:

12 meses de garantía desde la fecha de factura. Para poder tramitar cualquier garantía, el cliente debe aportar la factura de compra, el parte de incidencia cumplimentado y fotografías y videos que evidencien los daños. El tiempo estimado de resolución de garantía es de un máximo 6 meses desde la presentación del documento de incidencia junto con la factura correspondiente.

DEVOLUCIONES:

El cliente dispone de 14 días naturales para ejercer su derecho de devolución siempre y cuando no haya sido utilizado ni desembalado el producto.

Contrapesa de rueda 40kg

A close-up photograph of a red-painted metal wheel hub. The hub features a central circular opening for the axle, surrounded by eight smaller circular holes for mounting bolts. The red paint is thick and glossy, with some visible wear and slight discoloration around the edges. The lighting is bright, casting shadows that emphasize the circular geometry of the hub.
